

Sew & GO
Join a one-hour
Bernina Sew & Go
workshop and
discover the fun
you can have with
their Aurora 440
machine.

Visit the Bernina stand
to learn more about this
exciting new machine.

Exclusive to Craft & Quilt Fairs
in Australia & New Zealand

At the Craft & Quilt Fair –

you will have the opportunity to play with the amazing new BSR (Bernina Stitch Regulator) that makes quilting fun and easy. Enjoy almost effortless creativity with the Bernina Needle Punching tool for felting - never before has felting been so simple. Combine these and many other features the machine has to offer in this fun class and make a handy sew essential to have close by every time you sew

To Join Sew & Go

- ♥ Sew & Go sessions vary from show to show and run for approximately one hour every day at the fair.
- ♥ Book at the Bernina Stand D09 when you arrive as places are limited. The \$10 fee covers everything you need for the project including the scissors, pins and tape measure.
- ♥ The Sew & Go room will be clearly signposted and the sewing machines will be set up. Your friendly Bernina consultant will show you how to use the built-in fancy stitches, sew on a button and make your own felt with the new Needle Punch accessory kit, while you make your “sew essential”.
